

By God's sovereign grace, the past generations at Trailhead spurred the church forward, with faith that looked and planned for the future. A new season has led to dynamic spiritual growth, increased investment in leadership and staff, a biblical foundation of Elder Leadership, and Trailhead is now bursting at the seams in the current building. Our goal is to raise \$2 million, which may seem like a huge mountain to climb, yet we know the Lord is able to provide. Now, we are calling on others to pray, serve, participate, or give in any way. No contribution is too small!

**Please prayerfully consider how you can partner with us in *Building to Serve* and check all that apply:**
